

Selected Newly Added Documents on EUGRIS

**EUGRIS now has a new easier to use format, which I hope you will find the time to have a quick look at. 43 resources, events projects and news items were added to EUGRIS 1 –24 June 2009. These can be viewed at: <http://www.eugris.info/whatsnew.asp>**

**\*\*Then select the month and year for the updates you are interested in\*\***

Resources added include this selection:

**Sustainable Remediation Forum UK (SuRF-UK) Web site**

**SuRF UK is the United Kingdom’s Sustainable Remediation Forum – an initiative set up to progress the UK understanding of sustainable remediation. The objectives of SuRF UK are ‘To develop a framework in order to embed balanced decision making in the selection of the remediation strategy to address land contamination as an integral part of sustainable development’.**

**Environment Agency of England and Wales - CLEA Publications Web Page**

**This web site lists the contaminated land risk assessment publications issued as guidance by the Environment Agency, including co0mpilations of toxicological data, reports on “soil guideline values” and supporting technical reports**

**Land Use Change Statistics (England) 2008 - provisional estimates**

**This statistical publications provides a snapshot of changing land use in England, including the redevelopment of previously developed land**
