

Welcome to the May 2010 Issue of EUGRIS e-news

As usual there have been many interesting projects, resources and news items posted to eugris in recent weeks, please take a few moments to review the list below this message.

You will find the following useful information on the EUGRIS website:

- o More than 80 general technical information zones related to soil and water
- o 6 country contaminated land and water management information zones
- o 3745 resources (document, software, hardware and web site listings)
- o 59 funding programmes listings
- o 317 R&D project listings
- o 391 organisations listings
- o 377 current news items as well as conference / training listings
- o A glossary of 506 terms, often linked to national definitions and translations

EUGRIS has 3290 registered users from all over the world and many many more casual visitors.

Please feel free to forward this email to any friends or colleagues who you think may be interested in the eugris website.

Best wishes

The EUGRIS Team
