

As usual there have been many interesting projects, resources and news items posted to eugris in recent weeks, please take a few moments to review the list below this message.

You will find the following useful information on the EUGRIS website:

- o More than 80 general technical information zones related to soil and water
- o 6 country contaminated land and water management information zones
- o 3847 resources (document, software, hardware and web site listings)
- o 59 funding programmes listings
- o 327 R&D project listings
- o 479 organisations listings
- o 397 current news items as well as conference / training listings
- o A glossary of 506 terms, often linked to national definitions and translations

EUGRIS has 3445 registered users from all over the world and many many more casual visitors.

Best wishes
The EUGRIS Team
