

Welcome to the November 2011 Issue of EUGRIS e-news

As usual there have been many interesting projects, resources and news items posted to eugris in recent weeks, please take a few moments to review the list below this message.

You will find the following useful information on the EUGRIS website:

- o More than 80 general technical information zones related to soil and water
- o 6 country contaminated land and water management information zones
- o 3948 resources (document, software, hardware and web site listings)
- o 59 funding programmes listings
- o 343 R&D project listings
- o 484 organisations listings
- o 423 current news items as well as conference / training listings
- o A glossary of 506 terms, often linked to national definitions and translations

EUGRIS has 3656 registered users from all over the world and many many more casual visitors.
